Home Builders Are Recognized

in every community as men of integrity and stability. It's proof that they believe in themselves and the future of their town. And every home that is erected in a community makes it just that much better place in which to live and invest your money. To most homebuilders it means something to live for-a real object in life-an acquisition that once attained is a joy forever. That NOW IS A GOOD TIME TO GET A HOME goes without question-money is plentiful for legitimate investment-labor is within reach and property will never be cheaper. Remember-"He who hesitates," etc.-better start today-come in and talk it over with us-maybe our experience in home building will make it easy for you. The New York pitchers have been playing a steadier game than the Athletic twirlers during the season, and the games they have pitched have not been wild. Mathewson has been in three games and has only walked two men, while Bender, who has worked in two games, has walked six men and Coombs has passed four men to first bass. Marquard, in the game he pitched, did not walk a man. Both Bender and Plank, of the Athletics, have hit a batter with a pitched hall.

The strikeout records for the series go to the Philadelphians, with Bender in the lead with 15 in two games. Mathewson is next, 13 in three games, and Plank and Coombs are tied with seven each. Marquard has four to his credit and Crandall two and Wiltse one.
